HOME

Add an extra special something to make your home even more you.

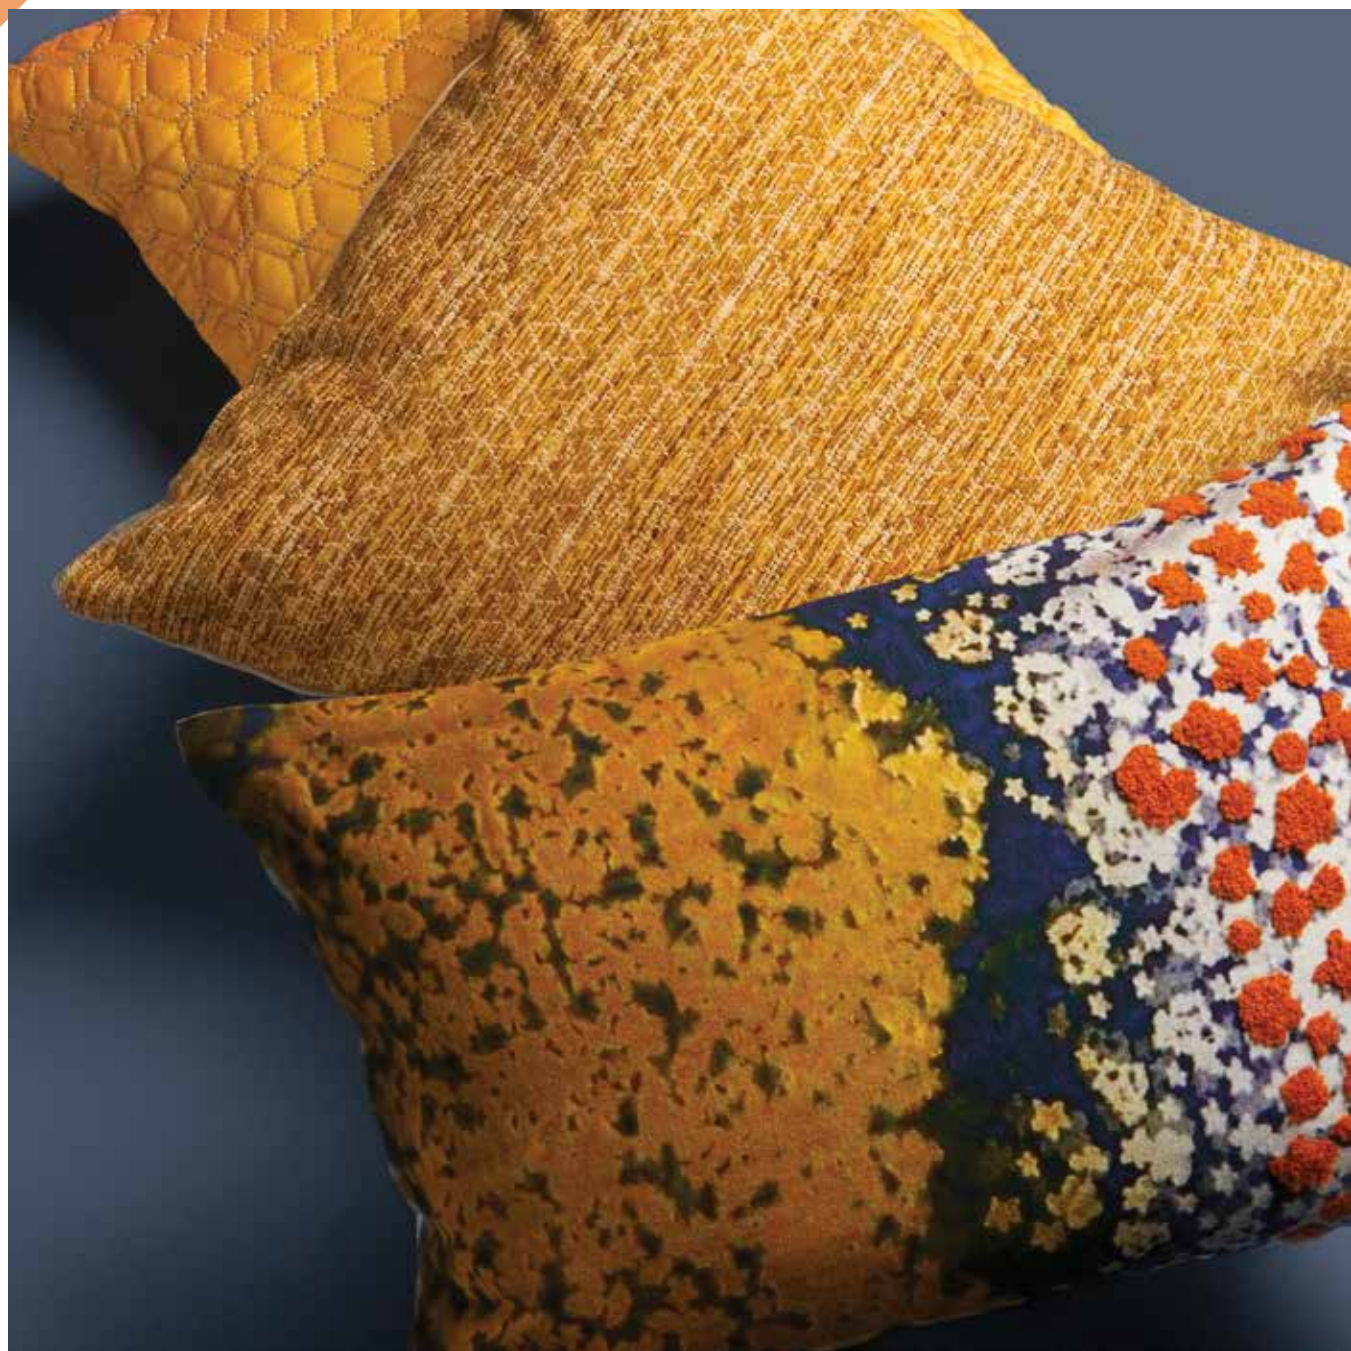

This season is all about colour, print & texture both vibrant and nature inspired.

Bring the outside in and add some 'jungalow' style to your home with our copper toned planters & easy to maintain artificial plants.

Add elegance to your
get-togethers with these
rustic slate platters.

Throw on some colour
& texture to neutral
sofas with bold indigo
and ochre.

Set the mood by creating the perfect ambience for the room with striking statement lamps.

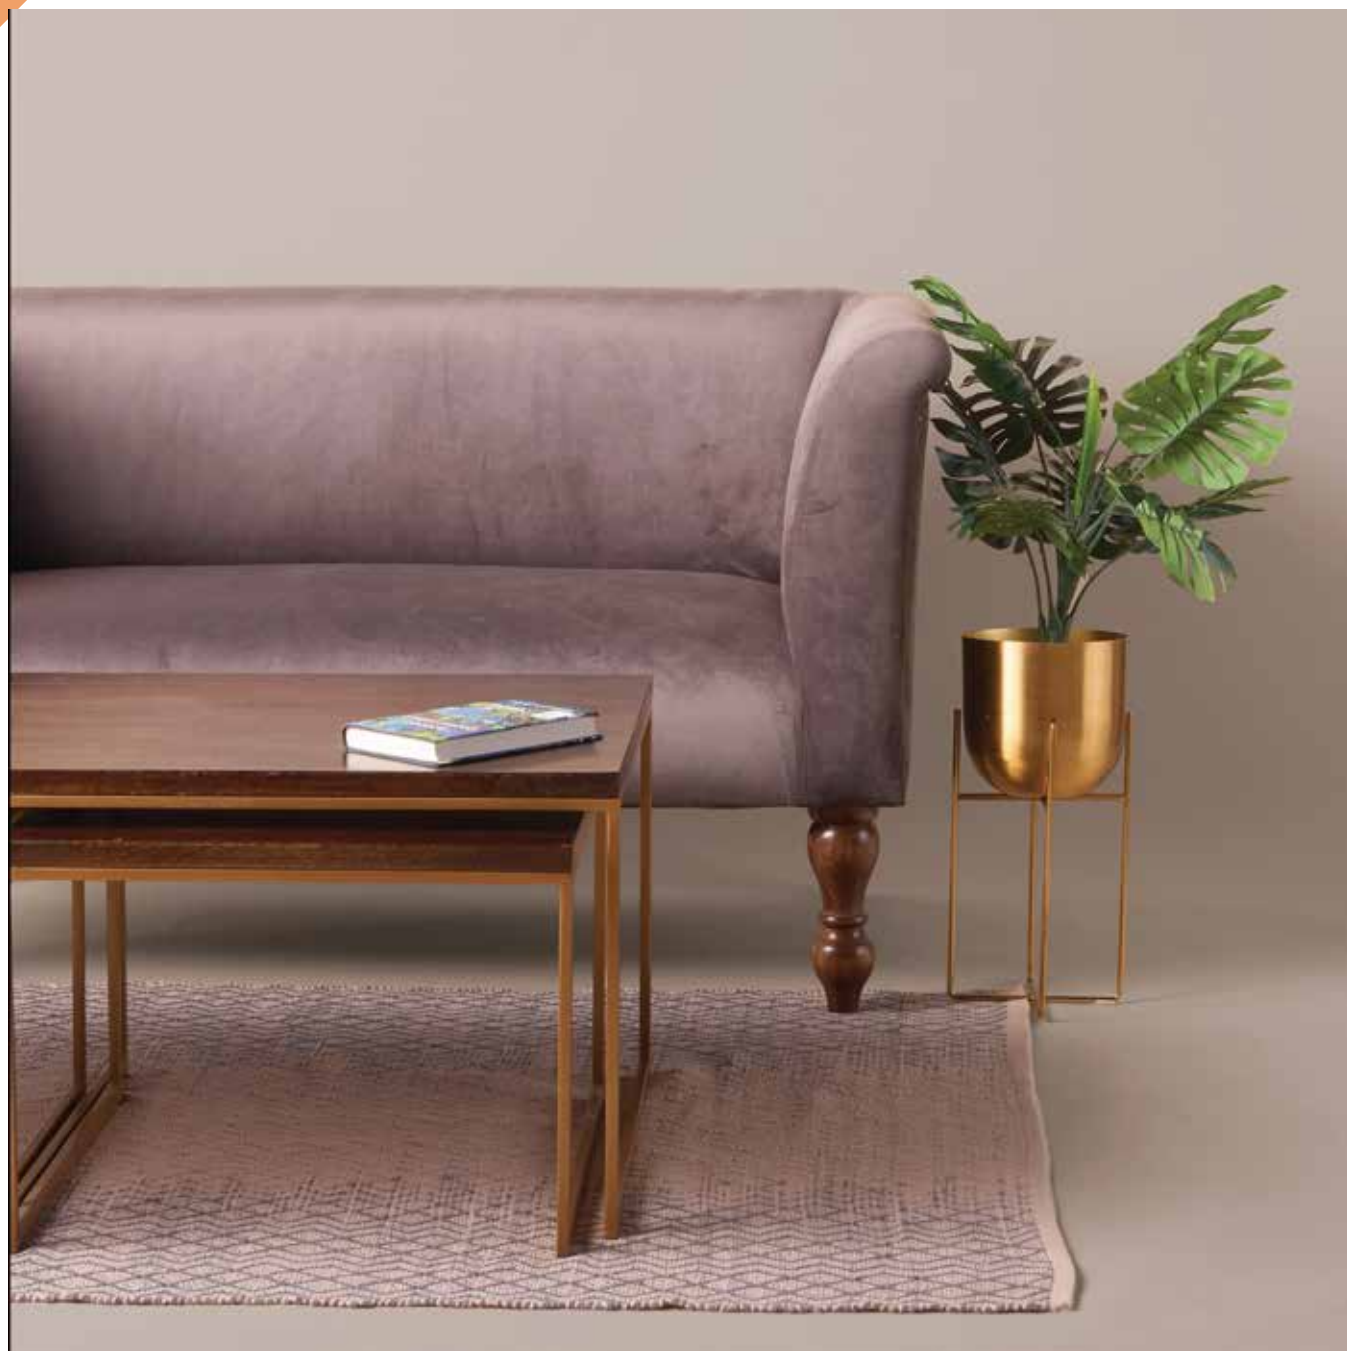

Fresh and calming blues
and whites that may
have you wanting to stay
in bed all day!

Add a cheery touch to any room with vibrant colours, zesty prints and bright floral cushions.

Natural woven baskets that add flair and function to any room, can be used for your laundry or storage.

Add a bold focal point to your living room with statement sofas, featuring luxe finishes, plush velvets and glamorous colours.

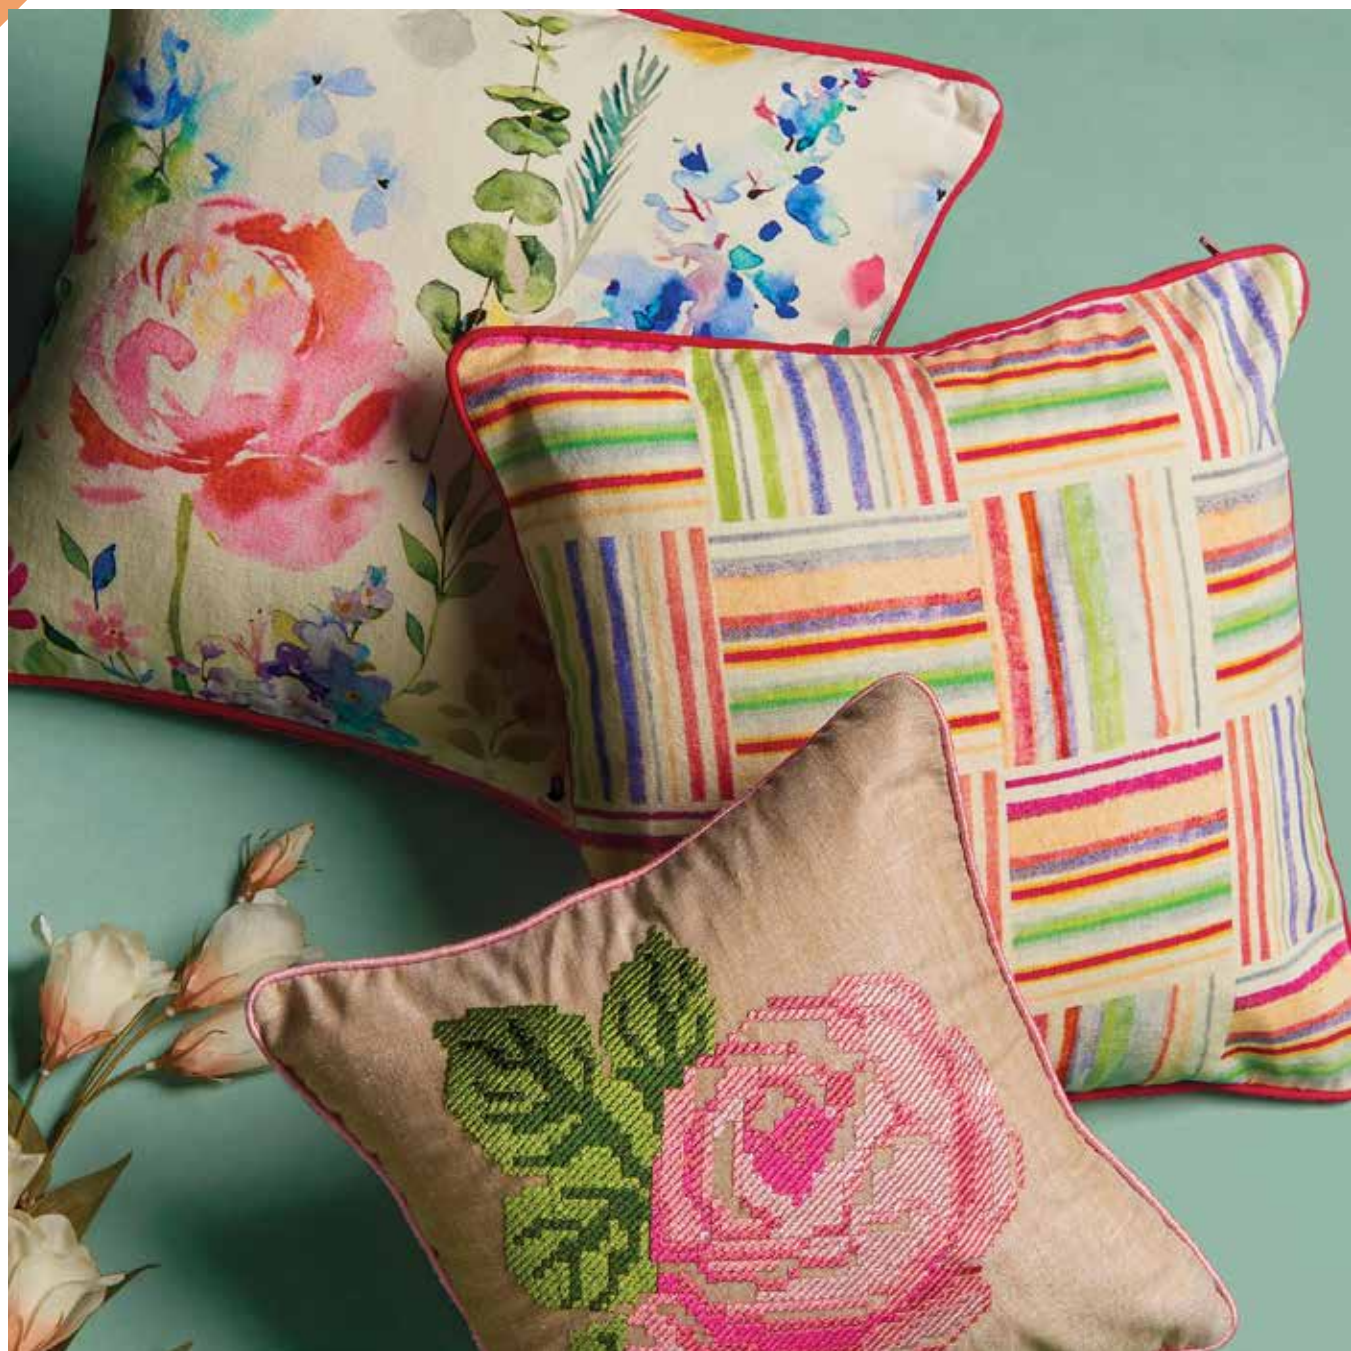

Soothing scented
candles to create a
relaxing peaceful
ambience.

Bright faux flowers are an easy way to add some nature inspired cheer to any room.

Lovely pinks and whites
in fresh, crisp cotton for
that stay-in-bed-all-day
feeling.

Add retro florals and prints in watercolours to brighten up your day.

Infuse your living space
with fragrances to suit
every mood.
